PROFILE

Administrative professional with more than 10 years of experience across personal assistance, claims administration, sales coordination and customer communication. Skilled in diary and email management, confidential records, document preparation, meeting coordination and stakeholder liaison. Current school chess and community work combines committee administration and event support with writing, WordPress and social media content. Certified typing speed of 70 WPM at 98% accuracy. Seeking administrative, reception, school or college office support, or remote assistant opportunities.

KEY SKILLS

Office and executive support	Diary and email management	Meeting coordination and minute-taking
Document preparation and proofreading	Confidential records and data management	Customer and stakeholder communication
Event registrations and logistics	Sales order coordination	Content writing and social media support

COMMUNITY EXPERIENCE & PROJECTS

Secretary and Administrative & Communications Coordinator

Durban and Districts School Chess Association · *Voluntary* 2026–Present

- Support the committee with correspondence, record-keeping, reports, meeting minutes and policy documents.
- Coordinate communication with schools, coaches, parents, league coordinators and other stakeholders; assist with calendars, tournaments, workshops, registrations and logistics.
- Maintain contact records, mailing lists and communication systems using Google Workspace; develop practical, self-taught skills in Airtable and HubSpot through this voluntary work.
- Manage Facebook content and support event promotion, including posters and short videos created with Canva and CapCut.

Social Media and Communications Support

North Coast Chess Club 2025–Present

- Plan and publish Facebook and Instagram content, including club news, photographs, tournament information and development opportunities.

Founder and Content Creator

ChessChat Community Blog · *Independent project* 2026–Present

- Created and manage a WordPress blog helping parents understand tournament chess; research and write articles and manage the associated Facebook and Instagram pages.
- Use ChatGPT and Claude to support research, drafting and content development.

EMPLOYMENT HISTORY

Claims Administrator

Morrison Construction 2021–2023

- Maintained confidential client records, claim information, databases and digital filing systems with a focus on accuracy and efficient retrieval.
- Handled high-volume email and telephone communication with clients, contractors and service providers.
- Prepared reports, invoices, correspondence and supporting documents; tracked and verified claim information in line with company procedures.

Sales Coordinator

YKK Southern Africa 2010–2015

- Coordinated customer orders, databases and fulfilment processes, maintaining accurate records and supporting customer service.
- Liaised with clients, suppliers and internal departments; monitored inventory and shipment timelines.

Personal Assistant

Winchester Insurance 2003–2007

- Provided executive and administrative support to senior management, including calendars, meetings and travel arrangements.
- Prepared reports, presentations, correspondence and business documents; maintained confidential records.

Career breaks: 2016–2020 and 2023–2025 for family and caregiving responsibilities.

EARLIER EXPERIENCE

Sales Representative · Mr Shirty 2001–2002
Full-time outbound sales role for a screen-printing company. Visited clients, collected orders, issued order numbers and delivered completed orders.

Reporter · Northglen News 1999–2000
Full-time community reporter covering local news, sport, achievements, entertainment and events, including protests and floods. Interviewed sources, attended events, wrote articles and took photographs.

Receptionist · Academy of Learning 1998
Part-time bursary placement alongside studies, sharing morning and afternoon reception shifts. Issued and received audio learning tapes, issued student ID cards, booked appointments and assisted student advisors.
